

# TELL THE SENATE: REJECT OBAMA'S LIBERAL SUPREME COURT NOMINEE!

## Barack Obama has Nominated a FAR LEFT Judge for the Supreme Court... Demand the U.S. Senate REJECT Her As Unqualified!

President Barack Obama has picked his nominee for the U.S. Supreme Court...

... and she turns out to be the MOST LIBERAL JUDICIAL ACTIVIST of ANY of the potential picks!

Can we STOP the nomination of radical liberal judicial activist Judge Sonia Sotomayor? YES — but only if YOU join your voice with hundreds of thousands of other Americans, demanding she be rejected!

Barack Obama threatened during the presidential campaign to nominate liberal judicial activists who would push their left-wing policy preferences, instead of simply applying the law in a neutral manner. In selecting Sonia Sotomayor as his Supreme Court nominee, President Obama has carried out his threat and picked the most extreme nominee possible!

The real problem we face is this: what the far left have not been able to pass legislatively — because the American people simply DO NOT support a far-left agenda — they want to impose on the American people through the courts. THAT is why Obama has nominated Sotomayor: to push the Supreme Court further and further left, to advance that liberal agenda.

There are some serious problems with the nomination of Judge Sonia Sotomayor that every single U.S. Senator NEEDS to look at when considering her for this high position. Here's the biggest one:

The Supreme Court itself says that this woman is WRONG!

Sotomayor has a TERRIBLE record as a Circuit Court judge, of being REVERSED by the U.S. Supreme Court over and over again. In fact, fully SIXTY PERCENT of her decisions as a Court of Appeals judge have been STRUCK DOWN!

You read that right: OVER HALF of Judge

Sotomayor's decisions as a Circuit Court judge that have come up for review have been REJECTED — OVERRULED — STRUCK DOWN by the United State Supreme Court!

If the U.S. Supreme Court says this woman is wrong, HOW CAN THE U.S. SENATE SAY SHE IS RIGHT???

The answer is, they should NOT. But it's up to US — YOU AND ME — to make that LOUD AND CLEAR to them!

Just four years ago, when speaking at Duke Law School, Judge Sotomayor "let slip" what is probably the most famous quote of her career: responding to a question on the pros and cons of different types of judicial clerkships, she let her TRUE beliefs slip out: she state that the court "is where policy is made!" She tried to correct her slip, by joking that "I know this is on tape and I should never say that, because we don't 'make law,' I know, I know." In other words, she made it clear that she believes judges DO MAKE LAW!

Knowing that Judge Sonia Sotomayor is a far-left judicial activist, that she is intellectually unqualified to serve on the Supreme Court, and that people on the left AND the right feel the same way... How can we possibly just sit by and let Barack Obama impact this Court for YEARS to come, in the worst possible way?

The answer is, we CAN'T. So we've set up our website to enable you to send "Blast Faxes"

to every single U.S. Senator AT ONCE, urging that they REJECT the Judge Sotomayor as unqualified to sit on the bench!

For about what it would cost you in time and telephone charges, you can send Blast Faxes to Democrats, Republicans, Independents — EVERYONE in the U.S. Senate, DEMANDING that they STOP this liberal judicial activist from ascending to the highest court in the land!

Please, take action right away to STOP this far-left-wing judicial activist from being confirmed to sit on the U.S. Supreme Court! Go to <http://www.RejectLiberalJudges.com/> to send YOUR faxes today!

By the way — don't be fooled by President Obama's claim that Judge Sotomayor is a "bipartisan pick," just because President George H.W. Bush appointed her to the district court. The first President Bush nominated her in 1991 ONLY because the New York senators had forced on the White House a deal that enabled Democrat Senator Moynihan to name one of every four district-court nominees in New York! In 1998, when President Clinton nominated Sotomayor to the Second Circuit, 29 Republican Senators voted against her.

We need ALL FORTY Republican Senators voting against her this time — PLUS at least a few more Democrats, to prevent her from ascending to the highest court in the land, and imposing her judicial activist philosophy on America for the rest of her life!

**SEND YOUR BLAST FAXES NOW TO EVERY SINGLE U.S. SENATOR, DEMANDING THEY REJECT JUDGE SOTOMAYOR AS UNQUALIFIED!**
